

Help shape the future of health in Sandusky County

It takes
about 20
minutes

We want to hear from you!

Take the 2025 Sandusky County **Community Health Survey** to help us better understand the health needs, concerns, and priorities of our community. Your responses will guide programs and services that make Sandusky County a healthier place for everyone.

To request a printed, large-text copy of the survey, please stop by or call the Sandusky County Health Department at (419) 334-6377.
